

# No Smoking Policy

In line with guidelines, Staff will not allow smoking or vaping in or on the premises when children are present or about to be present.

- No one is permitted to smoke inside the setting or any vehicle that is used to transport service users at any time.
- If visitors wish to smoke, they may do so outdoors away from the premises and children and dispose of any waste in an outdoor bin, away from the play area.
- We will not visit any indoor venue where smoking is permitted, including private dwellings.
- In outdoor public places, we will avoid other people who are smoking, as much as possible.
- Staff will also provide information to parents/carers about the dangers of smoking around their children, if necessary.
